# THE BEST SAUCE FOR YOUR OWN BURGER & GRILLED MEAT!

The hamburger is hot! More and more consumers are being tempted by a quality hamburger. Professional businesses are keen to cater to their wishes. Remia lets you add variety with four distinctive Burger & Grill sauces and lift the hamburger to another level. Together with a hamburger made from fine quality meat, a good bun and fresh ingredients, you can use these sauces to make the most attractive and tastiest hamburgers around. Naturally, these sauces also shine with other grilled meat dishes.

Garlic sauces come in many varieties, but there is only one Wild Bill! This is a garlic sauce that stands head and shoulders above the rest! Full and creamy in flavour with a spicy seasoning for a piquant bite. Adds a delicious garlic sensation to any burger to excite the taste buds. Also goes very well with grilled beef and spare-ribs.

An accompaniment to enhance any burger. This red sauce is filled with tomato, onion, gherkin and mustard seed, giving this Burger Relish all the ingredients for a perfect and tasty classic burger. Sweet-and-sour and tangy, with a crunchy bite.

A real taste sensation, full and creamy, with a spicy bite and a subtle smokey flavour provided by the specially smoked jalapeño pepper. Once tasted, you'll be sold! Also tastes good with meat grilled over charcoal, a spicy chicken salad or a tasty sandwich!

A robust BBQ sauce with a unique mix of herbs and spices and the authentic smokey flavour of hickory wood. This sauce gives extra body to a perfectly grilled and substantial hamburger! Also goes well with various grilled meats, chicken and, of course, spare-ribs.
